When there is no street sweeping, it will **NOT** be made up. Streets are always swept on the posted day.

Trash Collection

When there is no trash collection, it **WILL** be made up. Trash will be collected the day after the normal collection day for the remainder of the week. For example, Monday's trash will be collected on Tuesday. Friday's trash will be collected on Saturday.

Important:

On a few of the holidays, the schedule causes trash collection to be on the same day as street sweeping for the remainder of the week. During these times, **trash barrels MUST be placed up on the curb so not to hinder the street sweeper from sweeping streets.**
